**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to ask that you maintain our rights as consumers to have a choice in who our internet carriers are. There are still those of us in the marketplace who do not wish to bundle our internet service with a cable carrier and feel bullied to do so by high priced offers from the large companies. We should all have the ability to create the service we need by building the elements desired, not be subject to what a large corporation says is needed for them to achieve the most profit for their shareholders. Please allow local independent carriers to compete fairly for our business.

Thank you,

Stacy Rawson
